WHEREAS, the Proponent needs a real-world scenario for their capstone/thesis project to fulfill their academic requirements;

AND WHEREAS, the Beneficiary has agreed to collaborate with the Proponent to develop an information system or project that will support the Beneficiary's operations;

NOW, THEREFORE, in consideration of the mutual conditions and agreements contained herein, the parties agree as follows:

I. Project Description

- The Proponent will develop the project titled "StyleSync: A Style-Aware Paraphrasing System" (hereinafter referred to as the "Project") aimed at addressing specific writing and document preparation needs in the Beneficiary's organization.
- The objectives of the Project include, but are not limited to:
 - Develop a centralized web application for creating and managing personalized writing style profiles for users within the organization.
 - Integrate an AI-powered paraphrasing engine that automatically rewrites text while strictly preserving the user's unique voice, tone, and formatting.
 - Implement advanced style verification algorithms based on metrics such as Lexical Density, Sentence Variety, and Pronoun Usage, ensuring high stylistic accuracy for official communications.
 - Provide a transparency and feedback loop to allow users to review stylistic changes, correct errors, and refine style matching accuracy over time.

II. Responsibilities of the Beneficiary

The Beneficiary agrees to:

- Cooperation:** Provide necessary cooperation and support to the Proponent throughout the project duration.
- Information Disclosure:** Share relevant information, resources, and feedback required for the successful development of the Project.
- Access:** Grant the Proponent access to the Beneficiary's facilities, personnel, and operational environment as needed for project inquiries and testing.
- Designated Liaison:** Designate a point-of-contact person who will assist the Proponent in project-related communications and coordination.
- Feedback:** Provide timely feedback and evaluation of project deliverables as per the agreed timeline.
- Resources:** Provide any materials, documents, or resources that may aid in the completion of the Project.
- Meetings:** Participate in scheduled meetings to discuss project progress, feedback, and any challenges faced.
- Final Defense Presentation:** Be physically present on the scheduled Final Defense Presentation.

III. Responsibilities of the Proponent

The Proponent agrees to:

- Project Development:** Develop the Project in accordance with the agreed objectives and within the timeline.
- Communication:** Maintain regular communication with the Beneficiary regarding progress, challenges, and milestones.
- Updates:** Provide periodic updates to the Beneficiary on the status of the Project.
- Compliance:** Comply with the Beneficiary's guidelines and policies when utilizing their information and resources.
- Documentation:** Provide documentation of the Project at the completion stage and share findings that may benefit the Beneficiary.

IV. Confidentiality

- Both parties agree to maintain confidentiality regarding proprietary information shared in the course of the Project.
- The Beneficiary's sensitive information shall be protected, and the Proponent shall not disclose it to third parties without prior written consent.

V. Intellectual Property

- The Proponent retains the right to use the Project for academic purposes, including publication and presentation, provided that the Beneficiary is acknowledged.

VI. Miscellaneous

- This Commitment Contract constitutes the entire agreement between the parties and supersedes any prior agreements or understandings.
- Any amendments to this Commitment Contract must be made in writing and signed by both parties.

IN WITNESS WHEREOF, the parties hereto have executed this Commitment Contract as of the date first above written.
